**Ritisa Behera**

This is to certify that **Ritisa**, has successfully completed an internship at **Home First Finance Company India Ltd.** As an **Intern (Software Engineer)** from **9th June 2025** to **8th August 2025**. The total duration of the internship was **2 months**.

At Home First, we value swift execution, transparent collaboration, and an unconventional spirit—all of which were reflected in your approach throughout the internship.

**Project Title- Loan Origination & Processing System**

- Contributed to the design and implementation of end-to-end loan processing workflows, including lead capture, application submission, document verification, underwriting, disbursement, and closure.
- Demonstrated strong problem-solving skills, hands-on Salesforce development (Flows, Apex, LWC, and integrations with third-party APIs), and effective collaboration in a team-driven, real-time project.

Ritisa worked with a proactive mindset & adapted quickly to dynamic workflows across teams.

We appreciate her contributions and wish her continued success in future endeavours.
